

### IMS & FOYLES

Foyles is delighted to offer all IMS members the special opportunity to set up a personal academic account that entitles you to a 10% discount on all books.

Foyles began when William & Gilbert Foyle started selling educational textbooks in 1903. Today we keep over a quarter of a million titles in stock and maintain the largest mathematics department of any bookshop in the UK. In addition we can also order in any available book for you. With over 50 specialist departments we are winners of the Independent Bookshop of the Year and Academic Bookshop of the Year awards. This special offer is an exclusive arrangement with Foyles Business & Academic Accounts Department, through which orders may be placed via email, telephone or fax once your account is set up (all applications will be checked with the IMS).

With a Foyles Account you receive the following benefits:

- 10% discount on all orders
- A quick and easy ordering service
- Highly experienced and knowledgeable booksellers

Simply fill out the application form and return it to us with your IMS membership number and once your application is authorised we will contact you with your individual account number.

This discount is not available in-store until an account has been applied for and approved. Please contact the Business & Academic Accounts Department with any further enquiries.

#### Terms & Conditions:

1. All orders are dispatched upon full receipt of payment; payment only taken when books are ready to be dispatched.
2. A detailed invoice is included with each delivery.
