IRISH MATHEMATICAL SOCIETY

COMPLEX ANALYSIS AND DYNAMICAL SYSTEMS

A JOINT MEETING OF THE IRISH MATHEMATICAL SOCIETY
AND THE LONDON MATHEMATICAL SOCIETY

LONDON, 22-23 MAY, 1998

There will be six lectures, three on Friday afternoon, 22 May, and three on Saturday morning, 23 May. A conference dinner is being planned for Friday evening. The following have agreed to speak.

- Linda Keen (CUNY) *Deformations of Kleinian groups*
- Anthony G. O'Farrell (NUI Maynooth) *Some approximation problems and theorems*
- Bodil Branner (Technical University of Denmark) *Surgery in holomorphic dynamics*
- Ricardo Perez-Marco (Orsay, Paris) *to be announced*
- Shaun Bullett (Queen Mary & Westfield College, London) *Dynamics of holomorphic correspondences*
- Jean-Christophe Yoccoz (Orsay, Paris) *to be announced*

Information: Shaun Bullett or Richard M. Timoney.

STOKES SUMMER SCHOOL

SKREEN, COUNTY SLIGO, IRELAND

6-10 AUGUST, 1998

Goal: A celebration at his birthplace of the many areas of physics and mathematics to which Sir George Gabriel Stokes made major contributions. Among the speakers are some of the world's leading authorities.

Organizers: Sir Michael Berry (Bristol University), Alastair Wood (Dublin City University).

The number of participants is limited to 50.

Information: Ms. Carmel Morley, School of Mathematical Sciences, Dublin City University, Dublin 9, Ireland; e-mail carmel.morley@dcu.ie; tel 01-704-5293; fax 01-704-5786.

Conference Announcement

GROUPS IN GALWAY 98

TWENTY FIRST CONFERENCE

NATIONAL UNIVERSITY OF IRELAND, GALWAY

21-23 MAY, 1998

The Mathematics Department of the National University of Ireland, Galway will hold its annual Groups in Galway conference on 21-23 May 1998. This will be the 21st such conference.

At present, the list of speakers includes:

Martin Bridson (Oxford),

Roger Bryant (Manchester),

Martin Dunwoody (Southampton),

Dane Flannery (Galway),

Willem de Graaf (St. Andrews),

Derek Holt (Warwick),

Jim Howie (Heriot-Watt),

Alexei Krasil'nikov (Moscow),

Luise-Charlotte Kappe (SUNY),

Götz Pfeiffer (Galway),

Sarah Rees (Newcastle),

Howard Smith (Bucknell),

Patrick Solé (Nice),

Ralph Stöhr (Manchester).

Further details of the conference can be obtained from:

graham.ellis@ucg.ie, or at

<http://hamilton.ucg.ie/conference/gig98.html>.

The conference is receiving financial support from: Digital Corporation, Disk Doctors Ltd (Galway), The Irish Mathematical Society, and NUIG.
